Even with the door locked up like this I will break it by force and hug you

I have accidentally locked myself behind a bank vault.
Please break in to find me. Then mail the cash found to 69 Snailville street.

Change of plans. I'll pick out random comments from the comment sections to draw responds to. Heheh.

SNAILORDS

Of banging and inspiration

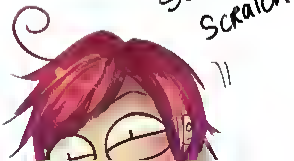
You damn slut! I'm gonna cut you off—

Reading the letter sent by The Vendor
"You're a very inspiring person—"
As I was drawing my next comic strip.
Which is literally this.

AH!

These sluts bong on every piece of furniture on their path. Why do we even need toes?

...Are we like, reading the some Snoilogy comic?



You sure you didn't like... send this letter
